Hello,
it's Fujimoto.

This volume of Kiratto☆Ginga-chou Shoutengai is my third book.

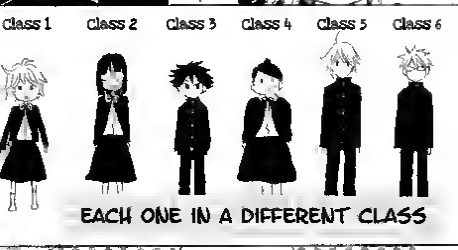
A Project Done By Manga Abyss

Let's make another secret base!
Okay.
Where should we build it?
Since we were small,
we have been running around together.
When...

for the first time...
...we entered middle school,



Class 1
Class 2
Class 3
Class 4
Class 5
Class 6
EACH ONE IN A DIFFERENT CLASS
we had the invaluable experience of being separated into different classes.

We're just in different classes
We will still see each other since our houses are close by.
However ...
Hey, why are you crying, Mike?
Let's hurry and go to the gym
Because, somehow, it's lonely
What are you saying?

Within the new environment...
each of us,
little by little ...
...made new friends.
Aww.
Kuro's not here?
It's impossible for just us three to make a big one
Ahh.
And, they promised that they would make a snow but when the snow fell
Then, what about the 'let's go and play'?
It seems that...
A boy from his class- Hmm... What was his name...
Yes.
It's seems like he went to that boy's house.
I'm sorry

lately,
we haven't been meeting often
A Project Done By Manga Abyss
I felt that, for the first time...
the six of us
were beginning to drift apart

When I noticed,
little by little...
the awkwardness
began
to grow
Even though we became second years,
and our classes changed, we didn't become completely separated.
Is it only me?
Or,
lonely
It feels
Somehow, now
But, it's different from before
